

Thank you to Childhaven Adopt-A-Family and Giving Tree Sponsors

“Thank you so much from me, my kids and my grandkids. You gave us a wonderful Christmas. I don’t know what we would have done without you.”

- Childhaven grandma

The 2009 Holiday Giving Program was an amazing way to celebrate Childhaven’s 100 year anniversary - connecting our children and families with sponsors through the Adopt-A-Family and Giving Tree programs was the perfect birthday present for Childhaven. All of our families were sponsored this year (families from all four branches, the Crisis Nursery and graduates). Every child and family member associated with Childhaven received many gifts during the 2009 Winter Holiday Season. Nearly 300 Childhaven families were sponsored with an estimated 12,000 gifts distributed to the families. It was a remarkable season for giving - thank you very much for your generosity and thoughtfulness towards our children and families.
